The History of Our Pool Design

The Timber Cove Recreation Association (TCRA) pool was designed to commemorate NASA's Mercury Program and opened on July 4, 1963. The shape of the pool is fashioned in precise dimensions after the Mercury capsule and honors four of the original Mercury Seven astronauts who lived in Timber Cove at that time, John Glenn, Scott Carpenter, Gus Grissom and Wally Schirra. The cost of the pool, without the clubhouse, was \$17,316.00

The TCRA pool is a wonderful amenity in our neighborhood and has been a place for gatherings since it opened. It is a private organization operated and maintained almost exclusively by its member volunteers. Annual funding for the pool comes from membership dues and donations only. The pool receives no financial subsidies from any other Timber Cove organization and no general payments or fees from the neighborhood.

If you are interested in being a part of the TCRA Board or would like to help with any project, contact any board member.

We always welcome interested members to join in the operations of the pool.

Since we want to keep the pool available to all members, we will not rent the pool for private parties on consecutive nights. The pool may be rented only once during a weekend *(Friday – Sunday). The pool may be rented only once during the week (Monday-Thursday). *The pool may not be rented on holidays during the week or holiday weekends (Last day of school, Memorial Day, Mother's Day, Father's Day, July 4th, Labor Day). Please refer to the website calendar for the most up to date pool party reservations and pool availability.

If you rent the pool for a party and your guests will be swimming, you must hire a lifeguard. One lifeguard is required for each 20 people who will be swimming. Contact Sarah McGregor at sporkery@yahoo.com or 832-452-6708 for a list of lifeguards. Lifeguards are to be paid by host member directly to the lifeguard and hourly rates are determined between host member and lifeguard. (Usually \$10.00 hour)

During your party, if you do not wish members to come in, please hang up a "pool closed" sign.

Regular Pool Hour Parties (12:00 – 6:00 pm) \$75.00 rental fee for 2.5 hours maximum

The pool may be rented during Regular Pool Hours (12:00 pm – 6:00 pm) for parties of **10 guests to a maximum of 20 guests for a fee of \$75.00 for 2.5 hours**. These gatherings are typically kid's birthday parties, please remember parents who accompany your invited guests are part of your guest count. Please be considerate and leave empty tables for members who are not involved with the party. The member host is responsible for securing an additional lifeguard for the full duration of the party and for payment of the lifeguard. Hourly rates are determined between host member and lifeguard.

How many guests can I bring without it being a "party"?

Members are allowed to bring guests to the pool. A guest is someone who is not eligible for TCRA membership. **Ten (10) guests or more per family membership is considered a party and requires a party reservation.** Contact Sarah McGregor at sporkery@yahoo.com or 832-452-6708 for a list of lifeguards. Any lifeguards hired that are not current employees of TCRA must provide the TCRA Lifeguard Coordinator with a copy of his/her current Lifeguard and CPR Certifications.
